

January 14, 1976

CLERK: Mr. President, I move to amend the first resolve. "The Legislature joins with the Governor, in accepting on behalf of the citizens etc." Signed, Senator Warner.

PRESIDENT: How is that amended again?

CLERK: To amend to read as follows: The first resolve: "The Legislature," and insert as new matter "joins with the Governor in accepting"....

PRESIDENT: OK, Senator Warner.

SENATOR WARNER: Mr. President, the wording is consistent, I believe. The Governor indicated he would approve it if the Legislature approved it. I don't see any reason to jockey this thing back and forth as to who should be blamed or who should have credit. I would be willing to accept them per se. Let's make it a joint approval. I think the Governor has indicated his willingness. It seems to me that this is consistent with what has been said.

PRESIDENT: Senator Syas, do you wish to be heard on this one? Alright the question is the adoption of Senator Warner's amendment. Record your vote. Record.

CLERK: 27 ayes, 1 nay.

PRESIDENT: The amendment is adopted. Senator Syas, now do you wish to be heard on the resolution as it stands?

SENATOR SYAS: It's on the resolution?

PRESIDENT: Yes sir.

SENATOR SYAS: I want to ask a question.

PRESIDENT: Yes sir.

SENATOR SYAS: How do you vote now on this resolution if you're for or against the sculptures as they now exist on the highway? Do you vote yes or no?

PRESIDENT: Do your best.

SENATOR SYAS: Senator Kelly, how do you indicate that by this vote?

SENATOR KELLY: It would appear to me that if you would desire the I-80 sculptures as a gift to Nebraska you'll vote yes. If you do not, you'll vote no.

SENATOR SYAS: OK.

PRESIDENT: Senator Chambers.

CLERK: Mr. President, I move to strike all the "be it further resolved" part of the resolution. Signed, Senator Chambers.

PRESIDENT: Senator Chambers.
